3) Projects carried out in Bhutan by Ambassador Nestroy as Chairman of “Pro Bhutan, Germany” or predecessor organizations:

The construction and financing of

- 1) the Punakha Hospital (inaugurated 1996)
- 2) the Training Center for Medical Staff at Punakha (1999)
- 3) the Policlinic plus a second wing of the Hospital Punakha (2003)
- 4) the Hostels for Blind Children at Khaling in Eastern Bhutan (2004)
- 5) the School with Hostels for Hearing-impaired Children at Drukyl (2007)
- 6) the PUNA MOCHU BAZAM, the Wooden and Roofed Cantilever Bridge in traditional Bhutanese architecture, linking Punakha village to the sacred Punakha Dzong, technically the most ambitious and challenging project of Nestroy’s “Pro Bhutan, Germany“ (10.May 2008)

The total funds mainly raised by **Ambassador Nestroy**, and spent for these 6 projects amount

to 2,8 million Euro or about 200 million Ngultrum.

New projects in the sectors of health, education of disabled children and culture are under preparation.
